LIBRARY SEARCH

To find articles in the all-in-one Library Search, limit your results to **Articles** from the drop-down menu underneath the search box, or use the facets in the left-hand column to narrow results:

- **Show only**
  - Peer-reviewed Journals (19,374)
  - Full Text Online (51,184)
  - Available in the Library (50)

- **Refine My Results**
  - **Format**
    - Articles (33,048)
    - Newspaper Articles (15,311)
    - Reviews (3,029)

The default sort for the results list is by **Relevance**. This can be changed to a different sort criteria, including **Date** or **Popularity**.

EBSCO MULTI-DATABASE SEARCH

Another way to search a group of databases simultaneously is to use the EBSCO multi-database search option. Of the 120 databases available through the Library, 40 are provided by EBSCO. From the search screen for any EBSCO database, click **Choose Databases**. Click the box next to each database you would like to add to the search (or Select all), then click **OK**.

**DATABASES**

These databases provide the full text of articles that were originally published in magazines, journals, and newspapers.

They are available to currently enrolled Florida state college students, wherever the Internet can be accessed.

**GETTING THERE**

- Log in to **MyCF**
- Click the tab for **Academics**
- Click the **Search Library** button under **Library Resources and Services**
